Assessment Monitoring Notification

Notification Statement:

In accordance with the provisions of the Environmental Protection Agency's Coal Combustion Residual Rule, as provided in 40 CFR §257.94(e)(3), the owner or operator of a CCR unit must prepare a notification stating that a Statistically Significant Increase has been detected and an Assessment Monitoring program as required under 40 CFR §257.95 has been established. This document serves as Otter Tail Power Company's notification that a Statistically Significant Increase (SSI) has been detected and an Assessment Monitoring program has been established at the Hoot Lake Plant landfill.
